CHAPTER 1 INTRODUCTION TO HISTORY & GOVERNMENT The meaning of History What is History? History is the study of Man"s past chronological account and record of events in reaction to his environment. Or: It is a science concerned with past human actions, pursued by interpretation of evidence for the sake of human self-knowledge. History is closely related to prehistory.

history form 1 notes (1) - FORM ONE HISTORY AND GOVERNMENT ...

History (from Greek ἱστορία, historia, meaning "inquiry; knowledge acquired by investigation") is the study of the past. Events occurring before the invention of writing systems are considered prehistory. "History" is an umbrella term that relates to past events as well as the memory, discovery, collection, organization, presentation, and interpretation of information about these events.

Chapter 1: Introduction. Anatomy is the science of the structure of the body. When used without qualification, the term is applied usually to human anatomy. The word is derived indirectly from the Greek anatome, a term built from ana, meaning "up," and tome, meaning "a cutting" (compare the words tome, microtome, and epitome).
