Mona Simpson sparked a life long love of memoir reading, and more recently, the act of putting ink on paper. To this day, when asked what's my favorite book, I say 'Anywhere But Here'. I'll have to re-read it to see if my perspective has changed, and even if it has, I'll remain eternally grateful for it.

Anywhere but Here Summary - eNotes.com

Simpson's a master of language and imagery, the little details, a whole history wrought by a few words, but this is more of series of memories than a novel because Simpson isn't over this- the feelings are still completely raw, which can make for good writing in some places but makes the book feel stagnant because it doesn't go anywhere: the mom never changes, no one changes.

Anywhere but Here Themes - eNotes.com

"Mona Simpson has always written movingly about young characters, from the protagonists of her early stories Lawns and Approximations to Ann in her debut novel Anywhere But Here. That makes Casebook a return of sorts: narrated by a boy who begins spying on his parents, only to discover more about them, and the family, than he ever thought he would.
