Yeah Mike's a fantastic drummer. He's from the Sacramento area. He started started the Drum Lab out here, also. It's a school dedicated to teaching drums and its chock full of very nice DW kits.

### **Cool book: Linear Drumming by Mike Johnston | [DFO] Drum Forum**

Linear drumming grooves are very popular and are useful in a variety of styles, especially funk, Latin, pop and gospel. They are fantastic for improving your coordination, dynamics and timing. For that reason, even if you don't expect to use linear ideas very often, it's still worthwhile to spend time developing your linear abilities.

### **An Introduction to Linear Drumming | Reverb News**

Dear Mike Johnson, my name is Pericles and I am an amateur drummer. I'm studying drums by your methods: Linear Drumming and Groove Freedom. I think these two methods are the drums teaching revolution.
