Servicing the Camera and Accessories

The D2X is a precision device and requires regular servicing. Nikon recommends that the camera be inspected by the original retailer or Nikon service representative once every one to two years, and that it be serviced once every three to five years (note

Nikon D2x first hit the stores in february 2005 after a very long delay. People were waiting for a high-resolution camera ever since the lower-resolution, high-speed model, the D2h had come out almost a year earlier. It received rave reviews and was praised for image quality (the new APS-C CMOS imager
