Get this from a library! Invitation to physical chemistry. [G K Vemulapalli] -- This is a unique book with a different aim from other books on the subject. The idea is to provide readers with the "big picture" first, yet at a level that helps further the study of physical ...

Invitation to physical chemistry (Book, 2010) [WorldCat.org]

A popular lecture demonstration shows a stream of water bending in the presence of an electrified object. We have quantitatively analyzed this phenomenon after experimenting with controlled electric fields. The following are our conclusions. (i) The electric field must be nonuniform for this effect to be observed. The electric force is proportional to the product of the field and its gradient.

Why Does a Stream of Water Deflect in an Electric Field ...

Amazon.com: Customer reviews: Physical Chemistry

Protein arginine methyltransferases (PRMTs) are SAM-dependent enzymes that catalyze the mono- and dimethylation of peptidyl arginine residues. Although all PRMTs produce monomethyl arginine (MMA), type 1 PRMTs go on to form asymmetrically dimethylated arginine (ADMA), while type 2 enzymes form symmetrically dimethylated arginine (SDMA). PRMT1 is the major type 1 PRMT in vivo, thus it is the ...
