### The Scots A Genetic Journey

This book is a wonderful short history of the Scots with genetic overtones. I enjoyed learning more about genomic research and found this information so much more interesting and rewarding than the surface/popular treatment provided by the commercial I have a Scots' heritage - my great grandfather came to Canada in the second half of the 19th century from Beaulieu in Invernessshire.

### The Scots : a genetic journey : Moffat, Alistair, 1950 ...

'The Scots: A Genetic Journey' is an interesting and imaginative text, but lacks a convincing genetic basis. When the author proposes that, 'we carry the memory of these remarkable people inside our bodies', I cannot help but feel I am being asked to forgo factual understanding for a certain romanticism.
