To call the Yamaha Disklavier E3 just a piano is like calling the “Mona Lisa” by Leonard da Vinci just another painting. This magnificent and sophisticated instrument is more than a high quality acoustic grand piano; it's an elegant, refined and technologically advanced entertainment system. Unlike previous “player piano” incarnations, this is a true acoustic piano (rather than ...

Yamaha Disklavier E3 Piano Review - Jordan Kitt's Music

Disklavier is the modern day version of the “player piano.” Disklavier pianos are true acoustic pianos that incorporate fiber optic sensing systems, high performance solenoids, and state-of-the-art computer technology. These pianos can very accurately record piano performances and play back with all of the expression and nuance of the original performance.
